Principal's Message

Many of our experiences, attitudes and accomplishments at Logansport High School are found on the pages that follow in this year's edition of the 1973 FIDELIS.

As the years pass may the contents of these pages serve to refresh our memories of our friendships, activities, and experiences that in some way have helped to mold our lives by improving our attitudes and relations with others.

May our experiences at Logansport High School help us become more useful citizens for the many tasks that each of us face in the future.
